

How to connect your wallet and access pre-sale (MOBILE).

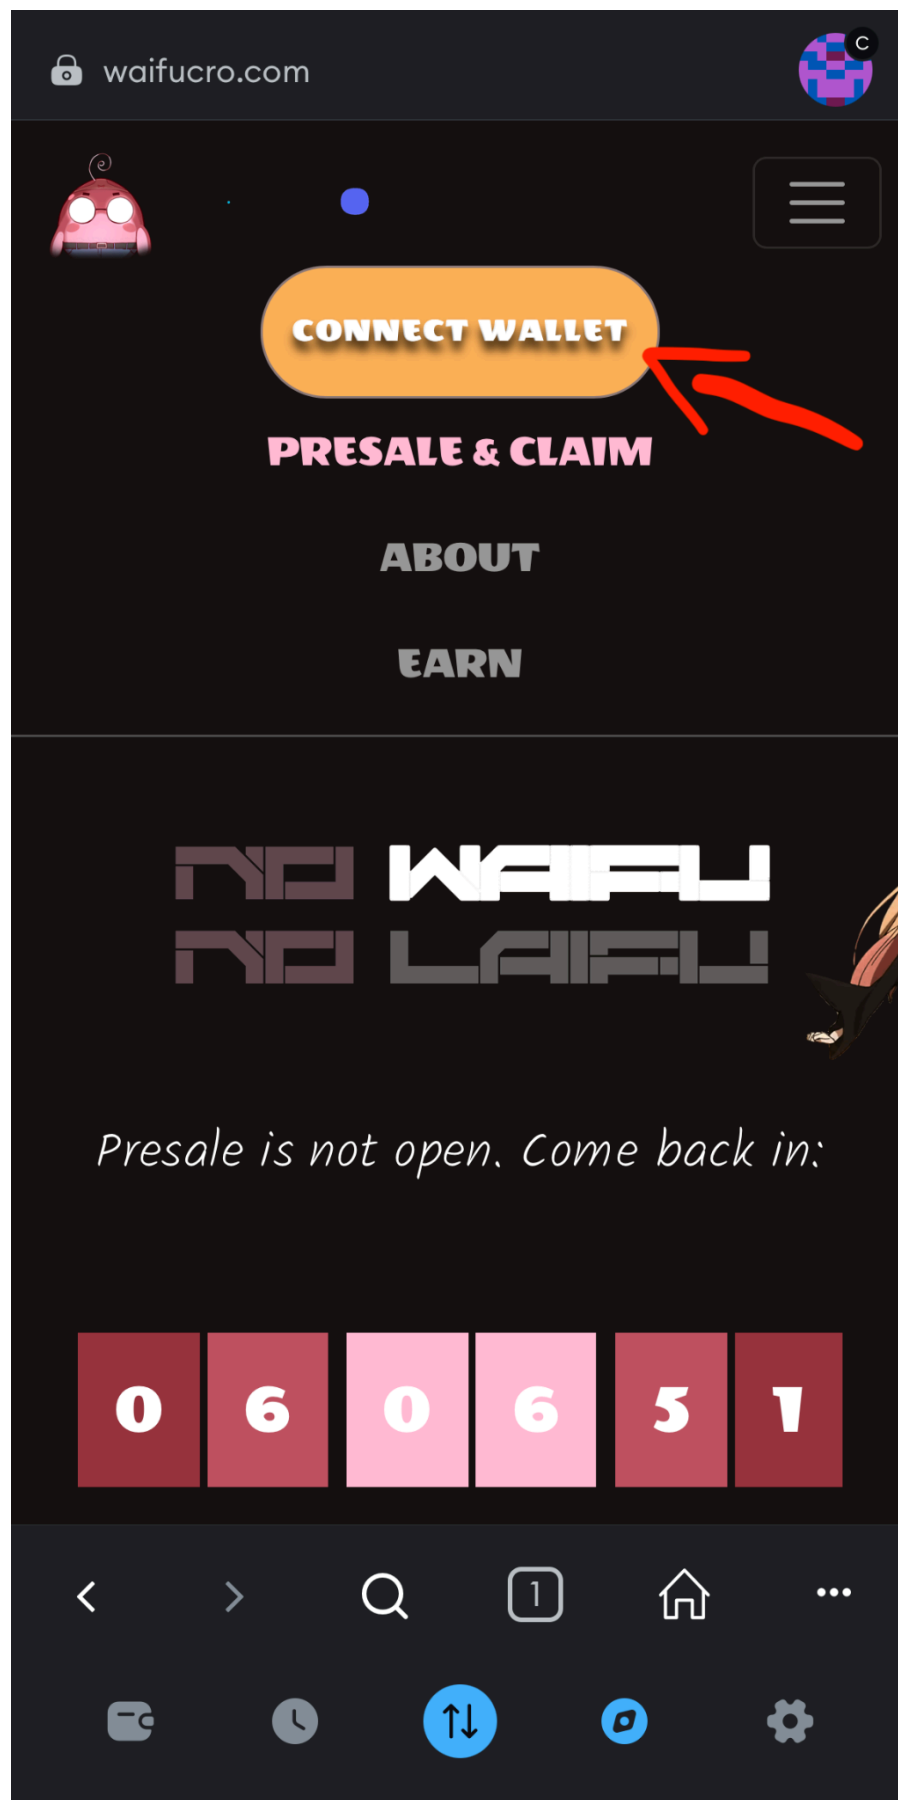

1. Download “MetaMask” or “CDC DeFi” App > Open the browser in your MetaMask or DeFi App > Enter the WAIFU website URL **waifucro.com**

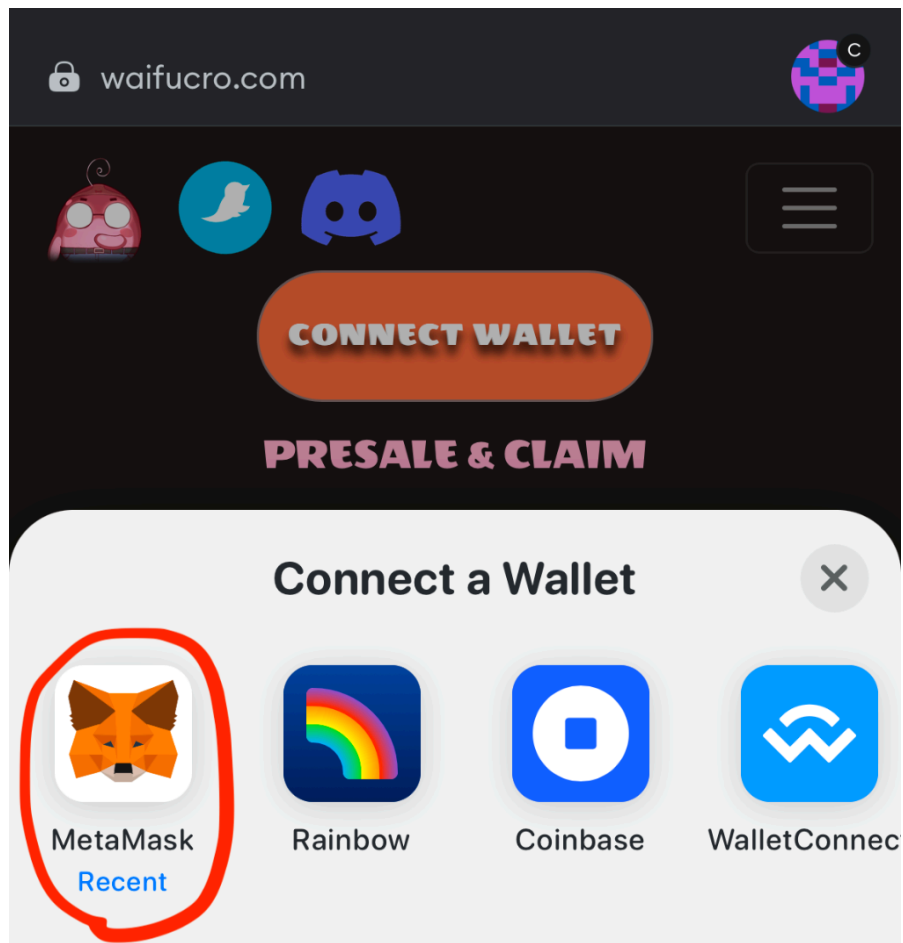

2. Press the top 3 lines of the top right of the screen.

3. Press "Connect wallet" button.

4. Press MetaMask icon (This works on the DeFi App as well).

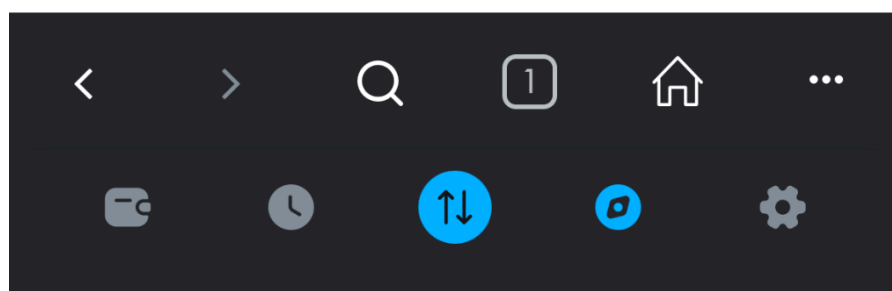

What is a Wallet?

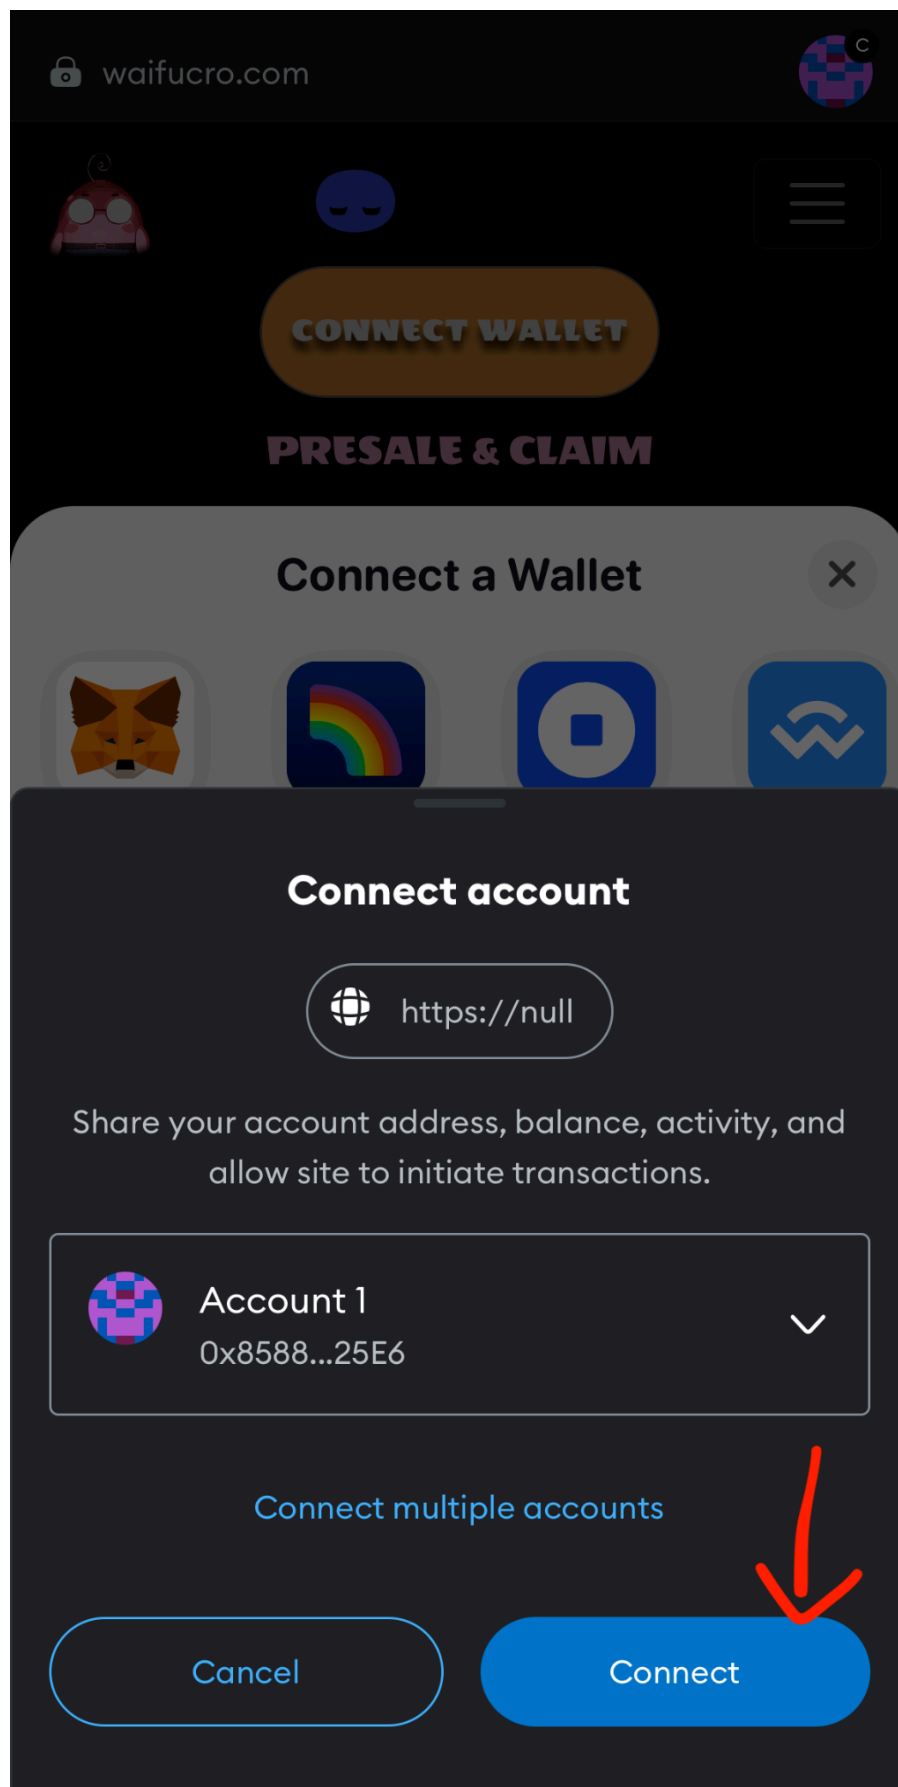

A wallet is used to send, receive, store, and display digital assets. It's also a new way to log in, without needing to create new accounts and passwords on every website.
